Emergency depot in Kolar Municipality.

Sir,

I have the honour to state that in October 1942, an Emergency Depot for sale of Rice to the Public at Kolar was started out of the advance sanctioned to the Municipality by the Deputy Commissioner under the Food operations and that it worked till the end of July 1943 when government depots were established in the town. The Municipality did not engage any special establishment to work the Depot. The Head clerk of the Municipality and the depot clerk Venkatasubbaiah attended to clerical work while the accountant of the Comptroller's office attached to the municipality attended to preaudit work connected with the passing of the bills and maintenance of the accounts of the department. The President has now reported that the depot accounts have been fully audited and that there is a net profit of Rs. 1192/12/1 which is kept in the Savings Deposit Account. The Municipal council have resolved on 15/6/44 (copy of resolution enclosed) that the government be requested to allow the profits to the credit of the Municipality and that out of the profits, the clerical and menial staff including the above said accountant may each be given as for the whole period a bonus equal to a half month's salary. The amount thus calculated would be about Rs 102/8/0.

In these circumstances I request you to kindly obtain sanction of government to transfer the above said amount of Rs. 1192/12/1 to the Municipality and also the resolution of the Municipal council to pay half a month's salary as bonus to the above said staff.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Kolar District.

The Kolar Town Municipality was provided with funds and also the foodgrains by the Deputy Commissioner for the ~~operations~~ opening and runing of an Emergency Depot. The Society looked after storing and distribution. It has been stated that for the period for which the Depot worked, there was a net profit of Rs.1,192-12-1.

In Bangalore, the marginally noted (1) Co-operative institutions were provided with funds by Government under certain conditions for undertaking to stock certain essential food stuffs. (G.O No A.F.6171-76/CS. 80-41-6 dated 9-5-42). The first two of the three Societies have reported that there was some net profits to the Societies by this transaction. But the Basavangudi Society has not yet sent its Profit & Loss Account. The Deputy Commissioner, Bangalore District, has proposed that half of the profits earned by these Societies may be taken over by Government, the other half being permitted to be retained by the Societies themselves and I am separately submitting this proposal of the Deputy Commissioner for orders of Government On the analogy of this proposal, I suggest that half of the net profit earned by the Kolar Town Municipality may be taken over by Government

Copy of letter No.SD.2614/Accts., dated 10-10-44, from the Director of Food Supplies in Mysore, Bangalore, to the Secretary to Government Development Department, Bangalore.

Sub:- Appropriation of net profits earned by certain Co-operative Societies from transactions in food-grains, out of advances sanctioned by Government.

Sub:- Appropriation of net profits earned by certain Co-operative Societies from transaction in Food grains, out of advances sanctioned by Government.

In forwarding herewith a copy of letter No.F.Accts.65/43-44 dated 2-5-44, from the Deputy Commissioner, Bangalore, District, regarding the above, I have the honour to state as follows:-

1) The scheme of granting advances to certain Co-operative institutions in Bangalore City to enable them to conserve and stock sufficient supplies of foodgrains to meet the ~~needs~~ of the public during any emergency that might arise in Bangalore City, was sanctioned by Government in their order No.AF.5603-610/C S.80-41-2 dated 9-4-42.

2) In pursuance of the above scheme, Government in their order No.AF.6171-76 C.S.80-41-6 dated 9-5-42, placed a sum of Rs.1,50,000/- at the disposal of the Deputy Commissioner, Bangalore District and empowered him to sanction advances of sums not exceeding Rs.50,000/- according to requirements, to each of the following Co-operative Societies.

i) Malleswaram Co-operative Society,
ii) Baangalore City -do-
iii) Basavangudi -do-

Accordingly the Deputy Commissioner, Bangalore District advanced to the above Societies, sums amounting to Rs.45.000/-, 30,000/- and 50,000/- respectively, under the conditions laid down in the Government Order dated 9-4-42 referred to above.

3) Consequent on the introduction of rationing in Bangalore City, Government considered that the scheme sanctioned in their order dated 9-4-42 was not necessary and ordered that the advances drawn by the Societies, may be withdrawn (G.O.No.SD.20086-90/A.199-42 dated 23/24-6-1943.).
